

**STATE OF GEORGIA
HENRY COUNTY
CITY OF STOCKBRIDGE**

RESOLUTION NO.

R20-1162

SUPPORTING H.R. 6467, THE CORONAVIRUS COMMUNITY RELIEF ACT

WHEREAS, the H.R. 6467, a bill currently before the United States Congress, seeks to include \$250 billion in robust, dedicated, and flexible funding for all local governments for emergency coronavirus relief;

WHEREAS, local governments at the county and municipal level are fighting the COVID-19 pandemic as partners, providing unique and non-duplicative services to protect public health and economic stability, despite significant losses of revenue as a result of public health measures requiring a pause on most economic activity;

WHEREAS, local elected officials are working on the front lines of the emergency response. County governments are responsible for emergency operations centers, human services, jail management, 911 services, coroners, and medical examiners;

WHEREAS, counties also operate nearly 1,000 public hospitals, 1,900 local public health departments, more than 800 long-term care facilities and 750 behavioral health departments.

WHEREAS, municipal governments are responding daily to the crisis with our first responders (fire, EMS, and police), coordinating regionally with one another across jurisdictional lines, enacting difficult and fiscally challenging emergency measures to slow the coronavirus epidemic, passing ordinances to limit the worst economic outcomes for residents and small businesses on the margins, and spending such sums as necessary to protect public health and the economy in this extraordinary time;

WHEREAS, according to a survey of more than 2,100 local officials shows that nearly 100% of communities with populations above 50,000 will see a revenue decline this year, and more than half report that revenue declines will impact core functions including police hiring and retention, and public safety;

WHEREAS, at the local level, the battle to contain COVID-19 is crisis-management beyond anything in recent memory, with both counties and cities are expending an unprecedented amount of resources while losing historic amounts of revenue.

WHEREAS, all local governments, regardless of population, urgently need direct federal funding to help us continue to fight COVID-19 and protect our residents through the summer and beyond;

THEREFORE, THE CITY COUNCIL OF THE CITY OF STOCKBRIDGE HEREBY RESOLVES:

SECTION 1. Opposition to the Bills. The City of Stockbridge voices its support for H.R. 6467 and other legislation which will provide for COVID-19 relief to local governments.

SECTION 2. Public Record. This document shall be maintained as a public record by the City Clerk and shall be accessible to the public during all normal business hours of the City of Stockbridge. Dear Congressman Scott:

As a city leader and a constituent, I am writing on behalf of the City of Stockbridge to express our support for [H.R. 6467](#), the *Coronavirus Community Relief Act*, and to urge you to continue to support this bill. From the correspondence with your office I understand that you are a cosponsor of this bill. This bill would create a coronavirus relief fund for units of local government with a population of 500,000 or less.

Cities are on the front lines of responding to the COVID-19 public health crisis and desperately need direct financial support from the federal government. Cities are anticipating loss of revenue, resulting in cuts to critical public services. The federal government must ensure every city, town and village has direct access to emergency funding.

The virus is also taking a toll on first responders, utility workers, and sanitation workers who are out in the community every day putting their own lives at risk to protect the public's health and safety. Without federal support, the cities working so hard to provide these critical services, particularly small cities, will struggle to survive. So far, small cities have been left behind in federal legislation to address the Coronavirus, COVID-19. Immediate action is needed to support these communities.

The City of Stockbridge has a general fund budget of about \$11.5 million dollars. Our city population is approximately 29,000 and we are excited about continuing to celebrate our 100-year anniversary this year. Although 2020 has been an unprecedented challenge for every city in the nation, we continue to persevere and provide services to our citizens. The city continues to provide a full range of services to its citizens without the benefit of a property tax.

The city is in the process of constructing a 3,400-seat Amphitheatre project which began late last year. This project continues to move forward as it is a transformational project which will provide recreational opportunities throughout the region and support the economic development vision for the city. We look forward to continuing our work with our County and regional partners to augment the needed support to properly transition into the next phase of our nation's and city's history as we move forward in the coming months.

On behalf of the residents, families, and businesses in Stockbridge, I urge you to continue your support for H.R. 6467 to provide direct federal aid for local governments with a population of 500,000 or less to help us face mounting challenges related to COVID-19.

If you have any further questions regarding how this bill will impact the City of Stockbridge, please feel free to contact me. Thank you for your service to the City of Stockbridge, our state, and nation. .

Sincerely,
